II. CalWORKs

No changes.

III. OTHER PUBLIC WELFARE

A. Electronic Benefits Transfer (EBT) Food Stamps (FS) – County Share Toward Maintenance of Effort (MOE)

This is a reminder to counties that they should be using PC 098, EBT FS – County Share Toward MOE, for reporting their EBT maintenance and operations county share of food stamps on the quarterly CEC. Please refer to CFL No. 03/04-63 for claiming instructions for PC 098. Counties should not claim these costs for reimbursement elsewhere on the CEC as they represent the county share of food stamps that has already been offset against the California Work Opportunity and Responsibility to Kids (CalWORKs) monthly Advance. The offset should be reported on a cash basis using Statement of Cash Advance – AA190 for the quarter or month of the offset, subject to the same requirements for supplemental claims. Counties should also ensure that the amount reported does not include the offset amount for General Assistance/General Relief (GA/GR).

IV. CHILD CARE

No changes.

V. NON-WELFARE

No changes.

VI. GENERAL

A. Deleted Program Codes (PCs)

As a result of the federal review of the Federal Fiscal Year (FFY) 2004/05 Countywide Cost Allocation Plan (CCAP), it was determined that the following PCs will be deleted. Therefore, effective with the September 2006 quarter, the following PCs and all associated codes (i.e., Program Identification Numbers [PINs], alphanumerics, etc.,) will be deleted:
